## KEY ACHIEVEMENTS

### Achieving 99% user satisfaction

We have achieved great customer satisfaction through sophisticated implementation of the front-end and have realized more than 20 projects. We have increased the agency's monthly profit to \$150,000.

### Exceeded throughput target by 90%

Collaborate well with teammates, use cloud-based workflows to reduce task completion time by 80% every time, and successfully complete more than 92% of tasks.

### Expanding corporate profits

Discovered new clients, negotiated over \$5 Million of partnership and product deals with key customers based on insights gathered in product development phase

### Breaking records in sales rankings

By realizing e-commerce with a neat, friendly, and sophisticated face-to-face structure and a high-conversion logical structure, we achieved the second-highest sales ranking throughout the year.
